

## ***A Little More About J & K***

Having a love of children and cheerleading led us to develop this endeavor, hoping to provide a learning experience in a fun atmosphere for all who participate.

We chose to create this non-profit organization to provide a cost efficient program, to keep children active, learning and expressing their individual talents in a team atmosphere.

The Board of Directors personally hires and trains the staff, overseeing all duties performed, wanting to ensure the best training inside and outside the classroom.

We want everyone involved to feel like friends, or even family. J & K holds special events for the cheerleaders, and are always planning and investigating new and fun ways to create a special bond. If you have a question, concern or suggestion, do not hesitate to contact the office.

Our growth is due to dedicated students, parents and staff. We thank you for giving us this opportunity and letting J & K into your lives. J & K wants everyone to have a rewarding experience.

*Sincerely,*  
Kris Hamilton, Pres.
